CERTIFICATE OF ADOPTION

TOWN OF ANDOVER BOARD OF SELECTMEN

A RESOLUTION ADOPTING THE CAPITOL REGION NATURAL HAZARD MITIGATION PLAN UPDATE, 2024-2029

WHEREAS, the Town of Andover has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Andover Board of Selectmen approved the previous version of the Plan in 2014 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the Town of Andover is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Andover; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the Town of Andover, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the Town of Andover eligible for funding to alleviate the impacts of future hazards; now therefore be it

RESOLVED by the Board of Selectmen:

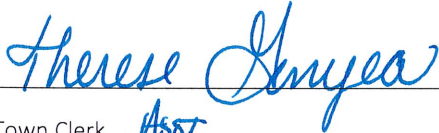

1. The Plan is hereby adopted as an official plan of the Town of Andover;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the Board of Selectmen.

Adopted this 19 day of SEPT, 2024 by the Board of Selectmen of Andover, Connecticut

First Selectman

IN WITNESS WHEREOF, the undersigned has affixed his/her signature and the corporate seal of the Town of Andover this 19 day of Sept, 2024.

Town Clerk, Asst.

WHEREAS, the Enfield Town Council approved the previous version of the Plan in 2014 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the Town of Enfield is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Enfield; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the Town of Enfield, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the Town of Enfield eligible for funding to alleviate the impacts of future hazards; now therefore be it

TOWN OF ENFIELD

RESOLVED by the town council:

1. The Plan is hereby adopted as an official plan of the Town of Enfield;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the Town Council.

This is to certify that at a virtual meeting of the Court of Common Council, November 25th, 2024, the following RESOLUTION was passed:

INTRODUCED BY

Arunan Arulampalam, Mayor

COURT OF COMMON COUNCIL

City of Hartford October 15th, 2024

WHEREAS, the City of Hartford has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Hartford Court of the Common Council approved the previous version of the Plan in 2014 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the City of Hartford is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the City of Hartford; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the City of Hartford, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

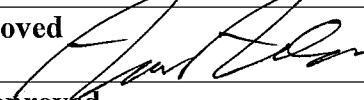

WHEREAS, adoption of this Plan will make the City of Hartford eligible for funding to alleviate the impacts of future hazards; now therefore be it

RESOLVED, by the Court of the Common Council:

1. The Plan is hereby adopted as an official plan of the City of Hartford;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the Court of the Common Council.

Item # 36623-2

RE: CRCOG Natural Hazard Mitigation Plan Update, 2024-2029

To Her Honor, the Mayor, and the Common Council of the City of New Britain:
the undersigned beg leave to recommend the adoption of the following:

WHEREAS, the City of New Britain has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the New Britain Common Council approved the previous version of the Plan in 2016 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the City of New Britain is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the City of New Britain; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the City of New Britain, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

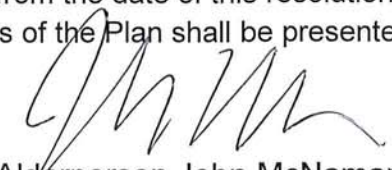

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the City of New Britain eligible for funding to alleviate the impacts of future hazards; now therefore be it

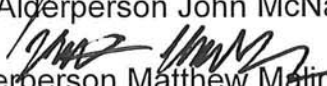

RESOLVED by the Common Council:

1. The Plan is hereby adopted as an official plan of the City of New Britain;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.

Item # RE: Vision Zero New Britain Goal

To Her Honor, the Mayor, and the Common Council of the City of New Britain:
the undersigned beg leave to recommend the adoption of the following:

WHEREAS, The City of New Britain, in conjunction with the Capitol Region Council of Governments (CRCOG), was the sub-recipient of federal assistance grant funds originating from the U.S. Department of Transportation (USDOT) Federal Highway Administration (FHWA) under the Safe Streets and Roads for All (SS4A) program; and

WHEREAS, The grant award to the City of New Britain is for \$350,000 and the project has an eighty percent (80%) federal and twenty percent (20%) municipal split; and

WHEREAS, The SS4A funds are being used to develop a comprehensive Safety Action Plan to identify projects and strategies that will reduce fatalities and serious injuries at high crash locations in New Britain using a Safe Systems Approach that will address the safety of all road users including those who walk, bike, drive and ride transit; and

WHEREAS, the City has established a Vision Zero Task Force which includes the Mayor, employees from several City Departments and the Board of Education, multiple City Council members, and bicycle and pedestrian advocates that has been working with the City's consultant, Cambridge Systematics, in our Vision Zero efforts; and

WHEREAS, The City's Vision Zero Task Force has met regularly since June 13, 2024, and documentation about the Vision Zero Task Force's work to date can be found on the Vision Zero New Britain webpage on the City's website; and

WHEREAS, SS4A funded Safety Action Plans have a "Leadership Commitment and Goal Setting" requirement and must established a goal through an official public act (e.g. policy or resolution) and by a high-ranking official (e.g. Mayor or City Council) that makes a commitment to an eventual goal of zero roadway fatalities and serious injuries; and

WHEREAS, At its October 31st meeting, the City's Vision Zero task Force worked together to unanimously establish a Vision Zero Goal for the City that states, "Reduce fatal and serious injury crashes by 50% by 2035 to reach Vision Zero by 2045.", and

NOW, THEREFORE, BE IT RESOLVED, the City is hereby establishing its Vision Zero Goal to "Reduce fatal and serious injury crashes by 50% by 2035 to reach Vision Zero by 2045."

RESOLUTION NO. 2024-130

John O. Murphy
Town Clerk

WHEREAS, the Town of Newington has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Newington Town Council approved the previous version of the Plan in 2014 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the Town of Newington is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Newington; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the Town of Newington, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the Town of Newington eligible for funding to alleviate the impacts of future hazards;

NOW, THEREFORE BE IT RESOLVED:

1. The Plan is hereby adopted as an official plan of the Town of Newington;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the Town Council.

ONE CENTRAL SQUARE, PLAINVILLE, CONNECTICUT

A RESOLUTION ADOPTING THE CAPITOL REGION NATURAL HAZARD MITIGATION PLAN UPDATE, 2024-2029

WHEREAS, the Town of Plainville has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Plainville Town Council approved the previous version of the Plan in 2016 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the Town of Plainville is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Plainville; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the Town of Plainville, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the Town of Plainville eligible for funding to alleviate the impacts of future hazards; now therefore be it

RESOLVED by the town council:

The Plan is hereby adopted as an official plan of the Town of Plainville;

The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;

Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.

An annual report on the progress of the implementation elements of the Plan shall be presented to the Town Council.

Adopted this 19th day of August, 2024 by the Town Council of Plainville, Connecticut

IN WITNESS WHEREOF, the undersigned has affixed his/her signature and the corporate seal of the Town of Plainville this 20th day of August, 2024.

September 27, 2024

To: Todd Dumais, Town Planner

From: Leon S. Davidoff, Town/Council Clerk

At its meeting held on September 24, 2024, the Town Council voted to adopt the Resolution Adopting the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan.

Sincerely,

Leon S. Davidoff
Town Clerk/Council Clerk

**RESOLUTION ADOPTING THE CAPITOL REGION NATURAL HAZARD
MITIGATION AND CLIMATE ADAPTATION PLAN**

WHEREAS, the Capitol Region Council of Governments (“CRCOG”), in collaboration with its member municipalities, developed a hazard mitigation plan known as the Capitol Region Hazard Mitigation Plan (the “Plan”); and

WHEREAS, the Town adopted the Plan and subsequent updates to the Plan by resolutions in 2013 and 2019; and

WHEREAS, CRCOG has determined that climate change is affecting the frequency and severity of some hazards, and therefore has elected to update the current plan to include climate adaptation strategies, and to entitle it the Hazard Mitigation and Climate Adaptation Plan Update: 2024-2029 (the “Plan Update”); and

WHEREAS, CRCOG held committee meetings, spoke with staff from the member municipalities, and solicited public input in 2023 regarding the development and review of the Plan Update; and

WHEREAS, the Town has historically experienced severe damage from natural hazards, and it continues to be vulnerable to the effects of those natural hazards profiled in the Plan Update, including flooding, extreme heat, droughts, severe storms, resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Plan Update addresses hazard risks and vulnerabilities, recommends planned mitigation and climate adaptation strategies, and develops the implementation and maintenance procedures for specific hazards that impact the Town; and

WHEREAS, the Plan Update is consistent with Town’s 2020-2030 Plan of Conservation and Development; and

WHEREAS, CRCOG has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update: 2024-2029 under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan Update will make the Town eligible for funding of projects and initiatives that alleviate the impacts of future hazards.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF WEST HARTFORD THAT:

1. The Plan Update is hereby adopted as an official plan of the Town of West Hartford; and
2. The Town Manager is hereby directed to pursue implementation of the recommended actions, subject to the availability of funding; and

3. Future revisions to, and maintenance of, the Hazard Mitigation and Climate Adaptation Plan Update: 2024-2029 required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution; and
4. An annual report on the progress of the implementation elements of the Hazard Mitigation and Climate Adaptation Plan Update: 2024-2029 shall be presented to a standing committee of the Town Council designated to review such matters.

CERTIFICATE OF ADOPTION
TOWN OF WILLINGTON BOARD OF SELECTMEN

A RESOLUTION ADOPTING THE CAPITOL REGION NATURAL HAZARD MITIGATION PLAN UPDATE, 2024-2029

WHEREAS, the Town of Willington has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of those natural hazards profiled in the plan (e.g. flooding, extreme heat, droughts, severe storms such as thunderstorms and winter storms, dam failures, wildfires, and earthquakes) resulting in loss of property and life, economic hardship, and threats to public health and safety; and

WHEREAS, the Willington Board of Selectmen approved the previous version of the Plan in 2014 and 2019; and

WHEREAS, the Capitol Region Council of Governments, of whom the Town of Willington is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, committee meetings were held and public input was sought in 2023 regarding the development and review of the Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Willington; and

WHEREAS, the Plan recommends several hazard mitigation actions that will provide mitigation for specific natural hazards that impact the Town of Willington, with the effect of protecting people and property from loss associated with those hazards while adapting to the effects of climate change; and

WHEREAS, the Capitol Region Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and

WHEREAS, adoption of this Plan will make the Town of Willington eligible for funding to alleviate the impacts of future hazards; now therefore be it

RESOLVED by the Board of Selectmen:

1. The Plan is hereby adopted as an official plan of the Town of Willington;
2. The respective officials identified in the mitigation strategy of the Plan are hereby directed to pursue implementation of the recommended actions assigned to them;
3. Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby adopted as a part of this resolution for a period of five (5) years from the date of this resolution.
4. An annual report on the progress of the implementation elements of the Plan shall be presented to the Board of Selectmen.

Adopted this 30th day of SEP, 2024 by the Board of Selectmen of Willington, Connecticut

RESOLUTION TO ADOPT THE CAPITOL REGION NATURAL HAZARD MITIGATION AND CLIMATE ADAPTATION PLAN UPDATE, 2024-2029

WHEREAS, the Capitol Region Council of Governments (CRCOG) recognizes the threats that natural hazards and climate change pose to people and property within the Capitol Region; and

WHEREAS, CRCOG in collaboration with its member communities has prepared a multi-hazard mitigation plan known as the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029, under the requirements of 44 CFR 201.6; and

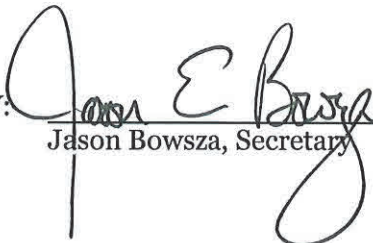

WHEREAS, the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029 has identified mitigation goals and actions to reduce or eliminate long-term risk to people and property from the impacts of future natural hazards, disasters, and climate change impacts that affect the Capitol Region and its communities; and

WHEREAS, CRCOG conducted numerous public and committee meetings in 2023 and 2024 regarding the development and review of the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029; and

WHEREAS, the Federal Emergency Management Agency/Department of Homeland Security has approved the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029, on condition of local adoption, making the member communities of CRCOG eligible for funding to alleviate the impacts of future hazards; and

WHEREAS, the anticipated adoption by the Capitol Region Emergency Planning Council demonstrates their commitment to achieving the hazard mitigation and climate adaptation goals outlined in the regional activities section of the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029.

NOW, THEREFORE, BE IT RESOLVED, that the Capitol Region Council of Governments Policy Board hereby adopts the Capitol Region Natural Hazard Mitigation and Climate Adaptation Plan Update 2024-2029.
