

Agenda Item Summary

To: CRCOG Policy Board, CRCOG Transportation Committee

From: Kyle Shiel, Principal Planner

CC: Matt Hart, Executive Director

Rob Aloise, Director of Transportation

Meeting Date: September 18, 2024; (Transportation Committee: September 16, 2024)

Subject: Resolution: Regional Warehousing Land Use & Traffic Study

Background: CRCOG is initiating a Regional Warehousing Land Use and Traffic Study to help municipal and regional policymakers better understand the challenges and opportunities presented by growth in e-commerce and associated warehousing and distribution/logistics centers in the Capital Region. The study will help provide critical data for assembling appropriate policy responses for transportation, land use planning, and economic development professionals. This resolution will allow CRCOG's Executive Director to execute an agreement with the selected consulting firm identified through the qualification-based selection process.

Benefit to Member Towns/CRCOG: The study intends to benefit member municipalities better understand the challenges and opportunities presented by the growth in e-commerce and associated logistics and warehousing centers. The study will include a best practice guide for municipalities considering such development proposals and will include recommendations to promote consistency across the region for the regulation and enforcement of agreements and design/building standards.

Financial/Operational Impact: CRCOG's Unified Planning Work Programs (UPWP) for FY2024-2025 has allotted \$300,000 for the completion of this plan, including for the contracting of a Consultant.

Project Schedule: Once a consultant is under contract, the study is expected to take approximately 18 months to complete.

Recommendation: CRCOG staff recommend approval
