Subject: Review and Comment – Draft Priority Pathways Bike and Ped Network

We are pleased to share the **draft Priority Pathways Bike and Pedestrian Network** for your review. The network combines existing facilities, previously planned and proposed routes, and new recommended connections.

We welcome your input on any and all segments of the draft network. Your comments will help us finalize the network and identify priority locations and facility types across the region.

- **Comment Deadline:** October 1, 2025
- **How to Comment:** Comments can be made directly on the interactive [map](#).
- **Questions:** Please feel free to reach out to me (Mike Cipriano 860.724.4223 or mcipriano@crcogct.gov) directly with any questions.

Your feedback is a vital part of shaping a safe, connected, and accessible regional bike and pedestrian network. Thank you in advance for your time and contributions. For more information, please visit our [Priority Pathways project website](#).
