

**To:** CRCOG Transportation Committee

**From:** Dagmar Noll, Principal Transit Planner

**Date:** November 7, 2025

**Subject:**CTDOT Locally Coordinated Public Transit Human Services Transportation Plan (LOCHSTP) Survey

---

Over the next nine months, CTDOT will be working to update its Locally Coordinated Human Services Transportation Plan (LOCHSTP), a federally mandated plan to address the needs of individuals with disabilities, the elderly, and individuals and families with low incomes. The Plan will highlight transportation gaps that exist in Connecticut for these populations and formulate potential strategies to address the gaps.

CTDOT seeks broad assistance identifying the gaps in transportation that currently exist in Connecticut through a brief survey. Please fill out the survey below for your municipality or share it with the appropriate municipal staff and/or local transportation stakeholders. **The survey deadline is November 30, 2025.**

[Locally Coordinated Human Services Transportation Plan \(LOCHSTP\) Survey](#)

If you have any questions concerning this survey, LOCHSTP, or next steps in the update, please reach out to Matt Tyksinski at the CTDOT Office of Transit and Ridesharing / Transit Planning Unit: (860) 594-2347 or [matthew.tyksinski@ct.gov](mailto:matthew.tyksinski@ct.gov).
