

COMPREHENSIVE CLIMATE ACTION PLAN (CCAP) PUBLIC MEETING

Concerned about climate change?

Wondering what local governments
and regional organizations can do
to address climate change?

CRCOG will be holding a virtual public meeting to discuss the Comprehensive Climate Action Plan (CCAP), which calculates 2030 and 2050 greenhouse gas projections for the Hartford-East Hartford-Middletown area and identifies strategies for reducing greenhouse emissions and air pollution throughout the region.
