**Subject:** Discussion and Endorsement of Regional Housing Plan Proposal

**Background:** The Connecticut Association of Councils of Governments (CTCOG), the Connecticut of Municipalities, and the Connecticut Council of Small Towns (COST) have developed a regional housing plan proposal in preparation of a potential special session of the Connecticut General Assembly to consider housing legislation. We have presented the proposal to the Governor, legislative leadership, and other key stakeholders.

Donna Hamzy Carroccia and I have also reviewed the regional housing plan with CRCOG's Legislative Committee. We would like to review the proposal with the full Policy Board and to seek your endorsement of the broad parameters of the concept.
